

now proceed to the consideration en bloc of the following bills reported by the Energy Committee: S. 416, calendar No. 130; S. 700, calendar No. 135; S. 776, calendar No. 136; S. 323, calendar No. 140; and S. 1027, calendar No. 178.

I ask unanimous consent that an amendment No. 1225 to S. 416 be agreed to, any committee amendments where applicable be agreed to, the bills then be considered read a third time and passed, as amended, if amended, any title amendments be agreed to, the motions to reconsider be laid upon the table, and that any statements relating to any of these bills be printed in the RECORD, with the above occurring en bloc.

The PRESIDING OFFICER. Without objection, it is so ordered.

SEWAGE TREATMENT FACILITY IN SISTERS, OREGON

The Senate proceeded to consider the bill (S. 416) to direct the Secretary of Agriculture to convey to the city of Sisters, Oregon, a certain parcel of land for use in connection with a sewage treatment facility, which had been reported from the Committee on Energy and Natural Resources, with amendments, as follows:

(The parts of the bill intended to be stricken are shown in boldface brackets and the parts of the bill intended to be inserted are shown in italic.)

S. 416

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. FINDINGS.

Congress finds that—

(1) the city of Sisters, Oregon, faces a public health threat from a major outbreak of infectious diseases due to the lack of a sewer system;

(2) the lack of a sewer system also threatens groundwater and surface water resources in the area;

(3) the city is surrounded by Forest Service land and has no reasonable access to non-Federal parcels of land large enough, and with the proper soil conditions, for the development of a sewage treatment facility;

(4) the Forest Service currently must operate, maintain, and replace 11 separate septic systems to serve existing Forest Service facilities in the city of Sisters; and

(5) the Forest Service currently administers 77 acres of land within the city limits that would increase in value as a result of construction of a sewer system.

SEC. 2. CONVEYANCE.

(a) IN GENERAL.—[Not later than 1 year] As soon as practicable and upon completion of any documents or analysis required by any environmental law, but not later than 180 days after the date of enactment of this Act, the Secretary of Agriculture shall convey to the city of Sisters, Oregon, at no cost to the city except the cost of preparation of any documents required by any environmental law in connection with the [conveyance, the parcel of land described in subsection (b).

[(b) LAND DESCRIPTION.—The land described in this subsection is the parcel of land located in—]

conveyance, an amount of land that is not more than is reasonably necessary for a sewage treatment facility and for the disposal of treated effluent consistent with subsection (c).

“(b) LAND DESCRIPTION.—The amount of land conveyed under subsection (a) shall be not less than 160 acres and not more than 240 acres from within the following—

(1) the SE quarter of section 09, township 15 south, range 10 west, W.M., Deschutes, Oregon, and the portion of the SW quarter of section 09, township 15 south, range 10 west, W.M., Deschutes, Oregon, that lies east of Three Creeks Lake Road, but not including the westernmost 500 feet of that portion; and

(2) the portion of the SW quarter of section 09, township 15 south, range 10 west, W.M., Deschutes County, Oregon, lying easterly of Three Creeks Lake Road.

(c) CONDITION.—The conveyance under subsection (a) shall be made on the condition that the city agree to conduct a public process before the final determination is made regarding land use for the disposition of treated effluent.

[(d) SPECIAL USE PERMIT.—Not later than 120 days after the date of enactment of this Act, in compliance with applicable environmental laws (including regulations), the Secretary shall issue a special use permit for the land conveyed under subsection (a) that allows the city access to the land for the purpose of commencing construction of the sewage treatment plant.

[(e)] (d) USE OF LAND.—

(1) IN GENERAL.—The land conveyed under subsection (a) shall be used by the city for a sewage treatment facility and for the disposal of treated effluent.

(2) OPTIONAL REVERTER.—If at any time the land conveyed under subsection (a) ceases to be used for a purpose described in paragraph (1), at the option of the United States, title to the land shall revert to the United States.

SEC. 3. SALE OF ADMINISTRATIVE LAND.

[(a) IN GENERAL.—Not later than 3 years after the date of enactment of the Act, and notwithstanding any other provision of law, the Secretary shall sell, at fair market value, not less than a total of 6 acres of unimproved land in the city that is currently designated for administrative use. There are authorized to be appropriated such sums as are necessary to prepare the sale.

[(b) DEPOSIT OF PROCEEDS.—The Secretary shall deposit the proceeds of a sale under subsection (a) in the fund established by Public Law 90-171 (commonly known as the “Sisk Act”) (16 U.S.C. 484a).

[(c) USE OF PROCEEDS.—

[(1) IN GENERAL.—Funds deposited under subsection (b) shall be available for expenditure, without further Act of appropriation, as follows:

[(A) Not more than 25 percent shall be available for administrative improvements at the Sisters Ranger District.

[(B) The remainder shall be available for purposes that are directly related to improving the long-term condition of the watershed of Squaw Creek, a tributary of the Deschutes River, Oregon.

[(2) METHOD OF EXPENDITURE.—The supervisor of the Deschutes National Forest may expend funds deposited under subsection (b) directly or may provide the funds in the form of grants to local watershed councils, including the Working Group (as defined in section 1025(a) of division I of the Omnibus Parks and Public Lands Management Act of 1996 (110 Stat. 4226)).]

The committee amendments were agreed to.

AMENDMENT NO. 1225

(Purpose: To authorize the acquisition of replacement lands)

The PRESIDING OFFICER. The clerk will report the amendment.

The legislative clerk read as follows:

The Senator from Washington [Mr. GORTON], for Mr. SMITH of Oregon, for himself

and Mr. WYDEN, proposes an amendment numbered 1225.

The amendment (No. 1225) was agreed to, as follows:

On page 3, line 12, strike the quotation marks.

On page 3, line 14, strike “the following”.

At the end, add the following:

“(e) AUTHORITY TO ACQUIRE LAND IN SUBSTITUTION.—Subject to the availability of appropriations, the Secretary shall acquire land within Oregon, and within or in the vicinity of the Deschutes National Forest of an acreage equivalent to that of the land conveyed under subsection (a). Any lands acquired shall be added to and administered as part of the Deschutes National Forest.”.

The bill (S. 426), as amended, was considered read the third time and passed, as follows:

S. 416

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

(c) CONDITION.—The conveyance under subsection (a) shall be made on the condition that the city agree to conduct a public process before the final determination is made regarding land use for the disposition of treated effluent.

(d) USE OF LAND.—

(1) IN GENERAL.—The land conveyed under subsection (a) shall be used by the city for a sewage treatment facility and for the disposal of treated effluent.

(2) **OPTIONAL REVERTER.**—If at any time the land conveyed under subsection (a) ceases to be used for a purpose described in paragraph (1), at the option of the United States, title to the land shall revert to the United States.

(e) **AUTHORITY TO ACQUIRE LAND IN SUBSTITUTION.**—Subject to the availability of appropriations, the Secretary shall acquire land within Oregon, and within or in the vicinity of the Deschutes National Forest, of an acreage equivalent to that of the land conveyed under subsection (a). Any lands acquired shall be added to and administered as part of the Deschutes National Forest.

ALA KAHAKAI NATIONAL HISTORIC TRAIL ACT

The Senate proceeded to consider the bill (S. 700) to amend the National Trails System Act to designate the Ala Kahakai Trail as a National Historic Trail, which had been reported from the Committee on Energy and Natural Resources, with amendments; as follows:

(The parts of the bill intended to be stricken are shown in boldface brackets and the parts of the bill or joint resolution intended to be inserted are shown in *italic*)

S. 700

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Ala Kahakai National Historic Trail Act”.

SEC. 2. FINDINGS.

Congress finds that—

(1) the Ala Kahakai (Trail by the Sea) is an important part of the ancient trail known as the “Ala Loa” (the long trail), which circumscribes the island of Hawaii;

(2) the Ala Loa was the major land route connecting 600 or more communities of the island kingdom of Hawaii from 1400 to 1700;

(3) the trail is associated with many prehistoric and historic housing areas of the island of Hawaii, nearly all the royal centers, and most of the major temples of the island;

(4) the use of the Ala Loa is also associated with many rulers of the kingdom of Hawaii, with battlefields and the movement of armies during their reigns, and with annual taxation;

(5) the use of the trail played a significant part in events that affected Hawaiian history and culture, including—

(A) Captain Cook’s landing and subsequent death in 1779;

(B) Kamehameha I’s rise to power and consolidation of the Hawaiian Islands under monarchical rule; and

(C) the death of Kamehameha in 1819, followed by the overthrow of the ancient religious system, the Kapu, and the arrival of the first western missionaries in 1820; and

(6) the trail—

(A) was used throughout the 19th and 20th centuries and continues in use today; and

(B) contains a variety of significant cultural and natural resources.

SEC. 3. AUTHORIZATION AND ADMINISTRATION.

Section 5(a) of the National Trails System Act (16 U.S.C. 1244(a)) is amended—

(1) by designating the paragraphs relating to the California National Historic Trail, the Pony Express National Historic Trail, and the Selma to Montgomery National Historic Trail as paragraphs (18), (19), and (20), respectively; and

(2) by adding at the end the following:

“(21) ALA KAHAKAI NATIONAL HISTORIC TRAIL.—

“(A) IN GENERAL.—The Ala Kahakai National Historic Trail (the Trail by the Sea), a 175 mile long trail extending from [Upolu] ‘Upolu Point on the north tip of Hawaii Island down the west coast of the Island around Ka Lae to the east boundary of Hawaii Volcanoes National Park at the ancient shoreline temple known as [‘Wahaulu] ‘Waha’ula’, as generally depicted on the map entitled ‘Ala Kahakai Trail’, contained in the report prepared pursuant to subsection (b) entitled ‘Ala Kahakai National Trail Study and Environmental Impact Statement’, dated January 1998.

“(B) MAP.—A map generally depicting the trail shall be on file and available for public inspection in the Office of the National Park Service, Department of the Interior.

“(C) ADMINISTRATION.—The trail shall be administered by the Secretary of the Interior.

“(D) LAND ACQUISITION.—No land or interest in land outside the exterior boundaries of any federally administered area may be acquired by the United States for the trail except with the consent of the owner of the land or interest in land.

“(E) PUBLIC PARTICIPATION; CONSULTATION.—The Secretary of the Interior shall—

“(i) encourage communities and owners of land along the trail, native Hawaiians, and volunteer trail groups to participate in the planning, development, and maintenance of the trail; and

“(ii) consult with affected Federal, State, and local agencies, native Hawaiian groups, and landowners in the administration of the trail.”.

The committee amendments were agreed to.

The bill (S. 700), as amended, was considered read the third time and passed, as follows:

LOESS HILLS PRESERVATION STUDY ACT OF 1999

The Senate proceeded to consider the bill (S. 776) to authorize the National Park Service to conduct a feasibility study for the preservation of the Loess Hills in western Iowa, which had been reported from the Committee on Energy and Natural Resources, with amendments as follows:

(The parts of the bill intended to be inserted are shown in *italic*.)

S. 776

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Loess Hills Preservation Study Act of 1999”.

SEC. 2. FINDINGS AND PURPOSE.

(a) FINDINGS.—Congress finds that—

(1) the Loess Hills encompasses 600,000 acres in western Iowa, having been formed by ancient glaciers and hundreds of centuries of westerly winds blowing soil across the Missouri River, which were then deposited in Iowa;

(2) this area is the largest Loess formation in the United States, and one of the two largest in the world, supporting several species of rare native prairie grasses;

(3) portions of the Loess Hills remain undeveloped and provide an important opportunity to protect and preserve an historic, rare and unique natural resource;
